CASAS For Students In The Classroom
What is CASAS?

CASAS stands for:

The Comprehensive Adult Student Assessment System (CASAS)

The CASAS is for students whose native language is not English. It measures English skills in

- **Reading**
- **Listening**

Who has to take the CASAS Test?

The Florida Department of Education (DOE) requires students take placement tests before entering an ESOL program.

All students registered in Miami-Dade County Public Schools (M-DCPS) Adult ESOL Programs will take the proper standardized Comprehensive Adult Students Assessment System (CASAS) assessment.

You can enroll in ESOL no matter what score you earn in CASAS.
Adult Centers use your CASAS score to:

- Determine your English skill level
- Place you in the appropriate level to begin your studies

Beginning at the right level is critical to learning English. We want you to succeed. By knowing what areas you need help in, your instructors can work with you to strengthen your skills.

How Can I Learn More about the CASAS?

You can talk with a school counselor or your teacher for more information.
